2006 Grady-White 360 Express

Boat Type:

Address: Wilmington, NC, US

Price: \$289,000

OVERVIEW

One of the top-selling 36 convertibles ever produced, the breakthrough feature of the Luhrs 36 was her molded flybridge steps in the starboard corner of the cockpit. Rather than climb a near-vertical ladder, a staircase made bridge access easy and safe—an innovative concept that was soon picked up by other convertible manufacturers.

The Salty Paws is a second owner vessel that has been used as a weekender only and has never been fished off shore.

The dual diesels have less than 1000 hrs and have recently completed the 1000 hours service.

She is as clean a 36 convertible that can be found on market, with all manuals and records maintained.

DESCRIPTIONS

Features

Vessel Walkthru

The Main Cabin features a dinette area with booth-style seating at a height-adjustable teak table, which converts to sleep two. The king-size forward vee berth has shelves and a curtain for privacy. A mid-cabin sleeping area comfortably accommodates two. Teak enclosed cabinetry provides plenty of storage. The Galley includes Corian counters, freezer and refrigerator drawers, an electric 2-burner stove top, a deep divided stainless sink and a microwave oven. A fully enclosed and ventilated head has a lighted vanity, a VacuFlush head, Corian counters and a shower.

The Helm has Grady-White's electromechanically controlled electronics cabinets, a chart-storage area and a fully adjustable captain's helm seat. The helm area has surround seating with a slide-away side table, plenty of rod storage and is covered by a standard molded hard-top.

Full Custom tower with full controls, electronics and buggy top.

The fishing equipment includes a cavernous 269-quart refrigerator/freezer fishbox in the aft deck. Other cold storage is in an aft-facing 55-quart refrigerator/freezer box. Both boxes drain overboard and are cooled by coils in the foam-filled walls. The cockpit also offers a raw-water washdown, under-gunwale storage racks and a transom shower and door. The rigging station includes a fresh water sink, insulated bait box, lockable tackle drawers and a 48-gallon live well.

Main Cabin
